

## **ASX Release**

### **Correction of typographical error**

**Melbourne, Australia, 31 May 2010.** Avexa Limited (ASX: AVX) refers to the Notice of Meeting sent to shareholders on 26 May 2010.

It has come to our attention that there is a minor typographical error on page 6 of that Notice of Meeting which we wish to clarify.

The first paragraph under the heading 'Company Update' on page 6 incorrectly refers to a Board meeting on 10 May 2010. That reference should be to 6 May 2010.
